MEMORANDUM FOR THE RECORD

SUBJECT: Miscellaneous Ideas from the Meeting with the MEAP
29 August 1977

1. Public Releases:

- a. Make them on a standard, routine, annual or semi-annual basis so that there is no accusation of tailoring the timing to suit policy.
- b. Congressional Release

2. [redacted]

- a. You can turn off the flow of information by spending too much time on assessments of vulnerability. The issue [redacted]

25X1

3. Perhaps you need an overall private statement of where we are going.

4. The attractiveness of the CIA/DDI for employment:

- a. Complete data base - not only classified but in general.

- b. Innovative work - need demonstrations that there is innovative work being done here.

c. The opportunity to publish:

- (1) Need to insure that all these ingredients are being developed.
